# JATASCAN

### Top news on your own platform

direct – prompt – in your corporate design

### Be up-to-date

The internal portal with alert system

#### Integrated full-text search

The basis for your individual news supply

### Bundled knowledge

One portal for all: media review, individual articles, online news, social media stream, press archive

**web**portal

More than just a press review. With **webportal**, we offer you an organization-wide access to the article database as well as a convenient platform for distributing the press review.

The web-based application allows the display of the daily press review with prominent highlighting of current articles and important topics.

Full-text search guarantees every reader access to all articles, whether they are clippings, online articles, videos or social media posts.

Your users can search for and find relevant information quickly and easily. Powerful search, filter and alerting features make it easy to find what you need.

The shopping cart function enables individual compilation into dossiers.
